Summer Safari Asian Celebration at the San Diego Zoo Safari Park is an extravaganza of drumming, acrobatics, martial arts and more. From the moment guests enter the Safari Park they are immersed in Asian-themed festivities and up-

members of the Continental Congress, red stood for hardiness and courage, white for purity and innocence, and blue for vigilance and justice.

Why thirteen stars and stripes? They represented the thirteen American colonies which rallied around the new flag in their fight against the British for self-governance.

The thirteen colonies included Connecticut, Delaware, Georgia, Maryland, Massachusetts, New Hampshire, New Jersey, New York, North Carolina, South Carolina, Pennsylvania, Rhode Island and Virginia.

To this day, thirteen stripes still commemorate the original colonies. Instead of thirteen stars, today the number of stars on the US flag has grown to 50, representing every state in the Union.
